

21st International Conference on Computer and Information Technology

December 21-23, 2018

Organized by: Department of Computer Science & Engineering
United International University, Dhaka, Bangladesh

CALL FOR PAPERS

The 21st International Conference on Computer and Information Technology 2018 (ICCIT 2018) welcomes and encourages the submission of accurate and relevant papers of original, unpublished work in various fields of Computer Science and Engineering, Information and Communication Technology.

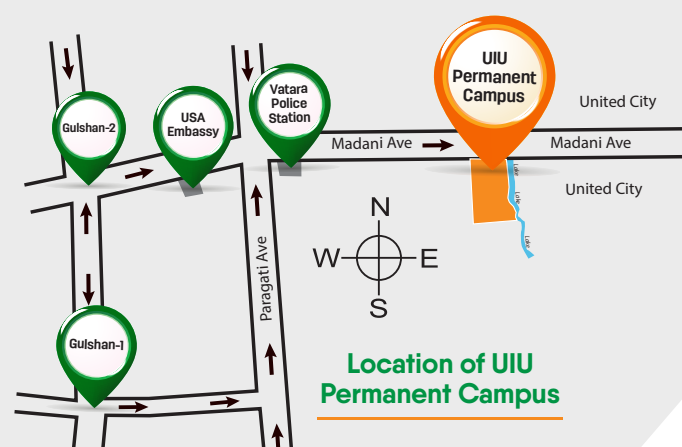

ICCIT 2018, co-sponsored by IEEE Bangladesh section, is the largest technical event on Computer Science and Engineering, Information and Communication Technology in Bangladesh. The focus of the conference is to establish an effective platform for institutions and industries to share ideas and to present the works of scientists, engineers, educators and students from all over the world. The proceedings of the conference will be published in IEEE Xplore.
